

Travel Grants EuARE2026 – Results

The present document contains the results of the Call for Applications for no. 30 Travel Grants for the European Academy of Religion’s Ninth Annual Conference, funded by Luiss Università di Roma, Reforc, and the Theological University of Apeldoorn.

As per the Call for Applications, travel grants are issued exclusively via reimbursements after the Conference and upon submission of the following documents in PDF format: receipt of registration fee, transportation tickets, accommodation receipts, and proof of payment.

Furthermore, the applicants who have been selected for this grant are required to accept the grant within, and no later than, April 30, 2026, by sending a confirmation email to travelgrantseuare2026@gmail.com containing, as an attachment, a receipt of the applicant’s registration to the European Academy of Religion’s Ninth Annual Conference in PDF format.

Candidates who have been selected for this grant are listed below in alphabetical order. Failure to confirm the grant’s acceptance within the established deadline of April 30, 2026, will result in the applicant’s exclusion, and the possibility for those admitted with reserve to benefit from the grant.

Candidates admitted with reserve (waitlisted) are listed below according to their rank in the selection process. If any selected winners fail to claim their grant by April 30, 2026, the available grants will be offered to reserve candidates in order from highest to lowest in rank.
